ROSARIO'S

A WARM WELCOME

to Rosario's

We hope you fall a little in love with our menu, inspired by the warmth, generosity and wonderful flavours of Sicily.

For us, good food begins with good ingredients. We bring in fresh produce daily, sourcing locally wherever possible, and our chefs take great pride in preparing food that is fresh, generous and full of flavour.

Food, coffee and hospitality have been part of Rosario's life for more than 30 years. Over that time, he has developed a deep knowledge of coffee, from the quality and character of the beans to the roast and the craft behind a beautifully made cup. That same attention to quality runs through everything we do.

So relax, enjoy and let us take care of you.

With love,

Rosario

Vegetarian, vegan and gluten-free options are available. If you have any food allergies or dietary requirements, please speak to a member of our team before ordering.
